Break the Cycle of Poverty:

Support the Catholic Campaign for Human Development Next weekend, Sept. 16/17, the Catholic Campaign for Human Development addresses the root causes of poverty in America by supporting community-controlled, self-help organizations of low-income people. Here in our Diocese, many life-changing community organizations have been funded with major CCHD national grants. They included a refugee organization, a small enterprise that provides employment to women in addiction recovery, and a land trust of low-income people becoming homeowners in inner city Rochester. In addition, 25% of the funds will remain in our diocese to fund smaller anti-poverty projects. By supporting this collection, you are standing with people on the margins and making positive social change.

This is an envelope included with your regular envelopes if you receive them.
