SECOND WEEK OF LENT

OVERCOMING HUNGER

In Akwangagwel, Uganda, the climate is very hot and dry. Farmers in this region depend heavily on the rainy season for a successful harvest. But lately—due to the changing climate—the rain has been coming later than it used to and is more inconsistent. Sometimes, when it does rain, it causes flooding and ruins the crops. Learn how Adolf and Florence have taken the matter into their own hands, implementing new farming techniques they learned from a Catholic Relief Services program to improve their farm and fight against hunger in their community. Visit [crsricebowl.org](http://crsricebowl.org) to read this week's Story of Hope.

'Rice Bowls' are still available in the Church entrances.

### ***Is your marriage or that of a relative or friend in need of counseling or not making any progress?***

**Retrouvaille** (pronounced retro-vi, meaning rediscovery) is designed to help troubled marriages regain their health. It helps spouses uncover or re-awaken the love, trust and commitment that originally brought them together. Where there are hurts, it can take away the resentment which gets in the way of healing. It can be a helpful supplement to an addiction program though it is not a recovery program in itself. It is Catholic in nature but open to couples of all faiths or backgrounds.

***This world-wide program is in 27 countries and has been in Rochester for over 35 years. It has even helped separated or divorced couples who want to try again.***

Our next program starts March 22nd, please call **585-293-1552** with confidential questions or visit the web site at [www.HelpOurMarriage.org](http://www.HelpOurMarriage.org)
